Technical Services Announcement

We are extremely proud and excited to announce Guy Cuccio's appointment as Technical Services Manager for the Phoenix Forge Group. Guy brings with him over 40 years of experience in the Pipe, Valve, and Fitting industry. Guy currently is a member or holds the positions in the following national and international standardization committees:

- ASME B1 – Committee on Screw Threads
- ASME B1.20 – Subcommittee on Pipe Threads
- ASME B16 – Main Committee Valves, Flanges, Fittings, and Gaskets
- ASME B16 Subcommittee F – Steel Threaded and Welding Fittings (Chairman)
- ASME B16 – United States TAG ISO/TC5
- ASTM A01 – Steel, Stainless Steel, and Related Alloys
- ASTM A01.09 – Carbon Steel Tubular Products
- ASTM A01.10 – Stainless and Alloy Steel Tubular Products
- ASTM A01.22 - Steel Forgings and Wrought Fittings for Piping Applications
- ASTM A01.22.03 – Forgings
- MSS Committee 105 – Forged Steel Fittings (Chairman)
- MSS Committee 106 – Cast Iron Valves
- MSS Committee 108 – Ferrous Threaded Fittings (Chairman)
- MSS Committee 302 – Marking and Terminology
- MSS Committee 304 – Quality Standards
- ISO TC5/SC5 – Ferrous Metal Pipes, Metallic Fittings, and Pipe Threads
- ISO TC5/SC5/WG3 – Stainless Steel Fittings
- ANSI USA Technical Expert

Our new Technical Services department will assist customers and end-users with quality, specifications, applications and joint end-user calls. Guy has performed these functions along with assisting our distributors and their customers for a number of years.

Guy Cuccio and the Technical Services department are located at Capitol Manufacturing Company in Crowley, Louisiana. Guy can be contacted at the following:

Phone: (800) 848-1100 ext. 120

Cell Phone: (337) 290-0249

Fax: (337) 783-5360

E- mail: gcuccio@capitolcamco.com

The Phoenix Forge Group is committed to providing customers with premier technical support, including field services. Along with our technical support, Capitol Manufacturing continues our reputation for consistent quality products and new product innovation.

On behalf of all of The Phoenix Forge Group employees, we thank you for your continued support and valued business.
