RE: New Freight Allowance Policy – Effective March 11, 2022

As a result of continuing inflationary pressures, Conduit Pipe Products is changing our freight allowance policy. Conduit Pipe Products new freight allowed requirement is \$1,750 net or more of Conduit Pipe Company products within the USA (Alaska and Hawaii excepted). The change is effective with orders placed April 7th and beyond.

On behalf of The Phoenix Forge Group employees, thank you for your continued support and valued business.

Sincerely,

Ellen Robb, Sales Manager
