RE: New List Price Sheet – Effective Date July 5, 2016

As a result of continuing cost escalations, Capitol Manufacturing is announcing a new list price sheet for merchant and API couplings. The new list price sheet, J-716-C supersedes J-1114-C and represents a 7% weighted average increase. List price sheet J-716-C is effective for all shipments beyond July 1<sup>st</sup>.

Capitol Manufacturing reserves the right to limit customers orders, based on historical sales data. Please advise the Capitol sales department if this decision requires any changes to your previously placed orders.

The Phoenix\*Capitol price lists may be printed from our web site; [www.phoenixforge.com](http://www.phoenixforge.com) after June 4<sup>th</sup>

On behalf of The Phoenix Forge Group employees, thank you for your continued support and valued business.
