RE: Camco Stainless Steel List Price Sheet- Class 150
Effective Date July 16th

As a result of the overall rise in raw material and general operating costs, Capitol Manufacturing is announcing a new list price sheet for stainless steel, class 150 fittings, registered under the Camco Fittings trademark. The new list price sheet, SS-714 supersedes SS-312 and represents a 6% weighted average increase. List price sheet SS-714 is effective with shipments beyond July 15th.

The Capitol Manufacturing price list, SS-714 may be printed from our web page www.phoenixforge.com or www.capitolcamco.com after July 4th.

On behalf of The Phoenix Forge employees, thank you for your continued support and valued business.

Sincerely,

Mark McIntosh
Vice President
