RE: Forged Steel Fittings and Union List Price Sheet – Effective May 2<sup>nd</sup>

Capitol Manufacturing is announcing a new list price sheet for forged steel fittings and unions. The increase is a result of the ever increasing raw material prices and overall rise in operating costs.

The new list price sheet, FS-522 supersedes FS-122 and represents a weighted average 14% increase. List price sheet FS-522 is effective with shipments beyond April 29<sup>th</sup>. **Capitol reserves the right to limit customer orders based on historical sales.**

The Phoenix\*Capitol price list, FS-522 may be printed from our web page [www.phoenixforge.com](http://www.phoenixforge.com) April 13<sup>th</sup>.

On behalf of The Phoenix Forge Group employees, thank you for your continued support and valued business.

Sincerely,
