RE: New List Price Sheet  
Effective Date April 30, 2026

As a result of the continued increase in operating costs and raw material, Conduit Pipe Products is announcing a new list price sheet. The new list price sheet CPP 0426 is effective April 30<sup>th</sup>, superseding list price sheet CPP 0126 and represents an increase of 10% for all Conduit Pipe Products material.

List price sheet CPP 0426 is effective with all shipments beyond April 29<sup>th</sup>. Conduit Pipe Products reserves the right to limit customer orders based on historical sales data. Please advise the Conduit Pipe Products sales department if this policy requires a change to your previously placed orders.

The Conduit Pipe Products list price sheet, CPP 0426, may be printed from our web site; [www.conduitpipe.com](http://www.conduitpipe.com) after April 13<sup>th</sup>.

On behalf of the Conduit Pipe Products employees, thank you for your continued support and valued business.

Sincerely,

Mark McIntosh  
Vice President
