RE: New List Price Sheet  
Effective Date March 6, 2025

As a result of the continued increase in operating costs and raw material, Conduit Pipe Products is announcing a new list price sheet. The new list price sheet CPP 325 is effective March 6, 2025, superseding list price sheet CPP 0124 and represents an increase of 5% for all Conduit Pipe Products material.

List price sheet CPP 325 is effective with all shipments beyond March 5, 2025. Conduit Pipe Products reserves the right to limit customer orders based on historical sales data. Please advise the Conduit Pipe Products sales department if this policy requires a change to your previously placed orders.

The Conduit Pipe Products list price sheet, CPP 325, may be printed from our web site; [www.conduitpipe.com](http://www.conduitpipe.com) after February 19<sup>th</sup>.

On behalf of the Conduit Pipe Products employees, thank you for your continued support and valued business.

Sincerely,

Mike Ross  
Sales Manager
