RE: New List Price Sheet – Stainless Steel Nipples
Effective Date March 25th

As a result of the continuing rise in raw material costs and tariff implications, Capitol Manufacturing is announcing a new list price sheet for stainless steel nipples. The new list price sheet, SSN-325, supersedes our SSN-422 list price sheet and is effective with shipments beyond March 25th. The new list price sheet reflects the following increase:

Stainless Steel Nipples List Price Sheet: SSN-325 25% increase

Capitol Manufacturing reserves the right to limit orders based on customer historical purchases. Please advise the Capitol Sales Department if this decision requires any changes to your previously placed orders. Capitol will honor current pricing on backorders prior to the date of March 24th.

The Phoenix*Capitol price list may be printed from our web site; www.phoenixforge.com after March 18th.

On behalf of The Phoenix Forge Group employees, thank you for your continued support and valued business.

Sincerely,
