RE: New Branch Connection List Price Sheet – Effective May 2nd

Capitol Manufacturing is announcing a new list price sheet for branch connections, registered under the trademark Trans-O-Con®. The increase is a result of the ever increasing raw material prices and overall rise in operating costs.

The new list price sheet, TP-522 supersedes TP-122 and reflects a 14% increase. List price sheet TP-522 is effective with shipments beyond April 29th. **Capitol reserves the right to limit customer orders based on historical sales.**

The Phoenix*Capitol price list, TP-522 may be printed from our web page www.phoenixforge.com April 13th.

On behalf of The Phoenix Forge Group employees, thank you for your continued support and valued business.

Sincerely,

Mark McIntosh
