PRODUCT SPECIFICATION BULLETIN

CERTIFICATE of COMPLIANCE

SWAGE NIPPLES and BULL PLUGS – YELLOW BRASS ASTM B16

We hereby certify that the yellow brass swage nipples and bull plugs manufactured by Capitol Manufacturing conform to the chemical and mechanical requirements of ASTM B16 Grade 360. The threads of these swage nipples and bull plugs manufactured and inspected in accordance with the ASME B1.20.1 pipe thread standard.

These swage nipples and bull plugs conform to the dimensional requirements of MSS-SP95. We further certify that these swage nipples and bull plugs are manufactured and inspected in the United States of America

These products are produced in accordance with the Capitol Manufacturing ISO 9001:2008 Certified Quality System Program. These products are inspected by independent quality control personnel conforming to the requirements of EN 10204 Section 3.1B. These products were not exposed to mercury or any other metal alloy that is liquid at ambient temperatures during processing or while in our possession.
