## PRODUCT SPECIFICATION BULLETIN

### CERTIFICATE of COMPLIANCE

#### WORKING PRESSURES - API LINE and EXTRA HEAVY COUPLINGS

We hereby certify that the following API line and extra heavy non-recessed AAR couplings manufactured by Capitol Manufacturing will withstand the cold non-shock working pressures at ambient temperatures as listed below:

<u>SIZE</u>	<u>COLD NON-SHOCK WORKING PRESSURE</u>
1/8" - 1".....	600 psi
1-1/4" - 2".....	400 psi
2-1/2" - 4".....	350 psi
5" – 12" .....	300 psi

We further certify that these products are manufactured and inspected in the United States of America. These products are produced in accordance with the Capitol Manufacturing and The Phoenix Forge Groups ISO 9001:2008 Certified Quality System Program.

These products are inspected by independent quality control personnel conforming to the requirements of EN 10204 Section 3.1B. These products were not exposed to mercury or any other metal alloy that is liquid at ambient temperatures during processing or while in our possession.
