### ***News Release***

December 15, 2017

Gary Yambor, effective January 1, 2018, will assume the position of Sales and Marketing Manager for The Phoenix Forge Group. Gary began his career as an Inside Salesman at Capitol Manufacturing in 1990 and was promoted to Midwest Regional Sales Manager in 1998. During 2002 Gary's regional sales position was expanded to include representing Conduit Pipe Products Company, CapProducts Company and Phoenix Forging Company. His 27 years of sales experience in the Pipe, Valve, and Fitting industry has gained him wide spread respect from our customers, industry associates and the Phoenix/Capitol team.

Gary's appointment as our Sales and Marketing Manager will expand his decision-making role on a Corporate and National level. We are confident that his new role and wealth of experience will allow our sales team and executive team to enhance our customer service.

We are very proud and excited for Gary and wish him continued success.

On behalf of all of The Phoenix Forge Group employees, we thank you for your support and valued business.

Best Regards,  
Mark McIntosh  
Vice President
